Accommodation & Fees.

ACCOMMODATION

Residential accommodation is included in the fee, and comprises lunch on arrival, the Workshop Dinner, bed and breakfast, and lunch the following day.

This year all bedroom accommodation will be in the modern in West Road building and features en suite bathroom facilities.

The conference room is tailored to our group size, and all presentation needs can be catered for, including computer projector, etc, if required.

Meals will be served in the newly constructed Garden Acropolis. For unscheduled parts of the day, the college is situated at the heart of historic Cambridge.

One of the values of the Workshop is the opportunity for networking. The overnight stay greatly facilitates this. We warmly recommend that you join us!

FEES

Remember, our fees are ALL-INCLUSIVE.
For those who live locally, a day rate is available.

Single room :

Standard rate	£255 Stephen Hawking Building
Student	£200 Old Court Only
Day Delegate (including workshop dinner)	
Rate:	£185
Extra Night	£66 Stephen Hawking Building

Please note!
DEADLINE for bookings:

8th June 2019.

THE UK SEMIOCHEMISTRY NETWORK
CHEMICAL SIGNALS IN VERTEBRATES, BRITISH WORKSHOP XXVII

Gonville and Caius College, Cambridge.

16 - 17 July 2019

An informal one-and-a-half day workshop on
"The Sense of Smell"
in humans and other vertebrates.

WORKSHOP PROGRAMME

Day One

Noon – 12.55pm Registration.

1:00pm Lunch

2:20pm Welcome and Introduction

2.25pm **Physiology: from receptors to processing** chaired by Hugh Matthews, University of Cambridge.

2:30pm **Olfactory transduction in small cilia and response stability in a changing environment** – Johannes Reisert, Monell Chemical Senses Center, Philadelphia.

3:00pm **The olfactory bulb granule cell - a confederation of independent mini-neurons** – Veronica Egger, Universität Regensburg, Germany.

3:30pm **Mammalian olfaction is a high temporal bandwidth sense** – Andreas Schaefer, Francis Crick Institute, London.

4:00pm Tea Break

The Dave Kelly Lecture

4:30pm **Algorithms and neural circuits in olfaction** – Venkatesh N. Murthy, Harvard University.

Perfumery Presentation

5.30pm **T.B.A.**

6:00pm Break

7:30pm Workshop Dinner

Day Two

9:00am **Chemosensory food perception** chaired by Jessica Freiherr, Friedrich Alexander Universität Erlangen-Nürnberg.

9:15am **Olfactory-visual integration during food perception** – Natalia Filvarova, Fraunhofer IVV Freising, Germany.

9:45am **Influence of nutrition labels on taste perception** – Qendresa Ramani, Universität Bonn, Germany.

10:15am **Sensory perception in obese patients** – Annette Horstmann, University of Helsinki, Finland.

10:45am Tea Break (Including AGM).

11:15am **Clinical session** chaired by Simon Gane, University College London

11:20am **Title** – Aytug Altundag, Polar Tower Hospital, Istanbul.

11:50am **Title** – George Macfarlane, University of East Anglia,Norwich.

12.20 pm **Heritage smells: characterisation and evaluation of historic odours in relation to authenticity, familiarity and danger.** – Cecilia Bebimbre, University College London.

12:50pm Lunch

2:00 pm **Mammalian Semiochemistry session** chaired by Jorg D. Hardege, University of Hull.

2:05 pm **Species recognition via urinary scent marks in European badgers (Meles meles)** – Tanesha Allen, University of Oxford.

2:35 pm **Testing the fermentation hypothesis using a wildlife model: the role of the microbiome in the subcaudal pouch of the European badger (Meles meles)** – Emma Dale, University of Oxford.

3.05 pm **The impact of Climate change on chemical communication** – Jorg D. Hardege, University of Hull.

Closing remarks and end of meeting
